**REGISTRATIONS FOR 2017-2018** - Classes have filled up fast for the upcoming preschool year. If you know a family with a 2, 3, 4, or 5 year old child that would be interested in registering for fall classes - see Jeanne or Martha for a form. Currently, there are no openings in only the Monday-Wednesday-Friday morning and afternoon classes. A waiting list will be compiled in case openings occur. There are a few openings in the 3 year olds afternoon class. Toddler Time class has openings for 2 year olds. Thank you for some of the referrals we have already received from current preschool families.

**TODDLER TIME PROMOTION PROGRAM / LAST DAY OF CLASSES**--Toddler Time will be having a Promotion Program on their last day of classes on May 22. More info will be in May's newsletter. See time listed above. Mark the date on the calendar.

**SPRING WEATHER** - With spring weather comes MUD! Please check you and your child's shoes before entering the building. Try to encourage your child to NOT run across the yard and stay on the sidewalks/pavement. Mud creates added cleanup when it is tracked into the building. Thank you!

It is hard to believe that end-of-the-year activities and promotion times are just around the corner.

Where has the preschool year gone....and so fast?
