ELDERTON PRESBYTERIAN CHURCH

SEPTEMBER 6 NEWSLETTER 6 2019

PASTOR'S PAGE

Ever since the days of your ancestors you have turned aside from my statutes and have not kept them. Return to me and I will return to you, says the Lord of hosts. But you will say, how shall we return?" Malachi 3: 7

We are in the season of "back to..." Kids go back to school. Summer vacations are over and we go back to work. Some people go back to church. I think back to... time would be a great time for all of us to go back to God.

Now it is clear that some have never left. The church has been pretty full on most Sundays this summer. And I know you well enough to know that many of you have never really turned aside from God. But even the most faithful of us have a need once in a while to consciously return to our relationship with God who is always there waiting for us to come back. We are called to be in a close relationship with the Lord. But sometimes we just begin to take God for granted.

I want to propose that we make this fall a time to turn back to God. When God tells the people of Israel to turn back to the Lord through the voice of the prophet Malachi, they ask how they can do that. So here are seven suggestions for ways we might deliberately return to God or strengthen our relationship with the Lord.

Prayer: Being in constant communication with God includes both speaking and hearing. We can adopt a running conversation with God that goes on all day. But was also benefit from a set time of prayer that is uninterrupted.

Hunger for the Word: The Bible is not easy to understand. The Adult Bible school class meets every week. It is a great place to be "fed" by the Word. Individual study and devotion is also helpful.

Worship: Make a commitment to attend worship regularly. There you will feel the presence of the Holy Spirit through the songs and the readings and the preaching. But you will also experience the joy of joining with others who also love the Lord.

Sabbath: God is pretty clear that we are to take time to rest and revival of our spirits. It does not even have to be Sunday. It can be any time that you can regularly set aside your own activities to rest and be renewed.

Strengthen family ties: Relationships take work. We need to invest time in our parents, our children our spouses and our friends who are like family to us. Even if those ties are strong, do not neglect to return to stronger relationships

Concern for the needy stranger: They may be next door or in the city or at the border or on the other side of the world. Our relationship with God is strengthened by our concerned actions on behalf of the "least of these our brothers and sisters.

Introspection: I tend to roll along for periods of time and fail to take account of where I am spiritually. There is never a bad time to take stock. How are you doing as a disciple? Where do you need to improve? You only have to ask God to show you, and then the Lord will help you in that area.

So there are seven suggestions as to how to make this fall a season for coming back to God. Let me know how it works for you.

The session has decided to lock the doors of the church about 10 minutes after the service has started.

This is in response to several shootings at places of worship.

While we trust the Lord, we are required to take precautions that might avert a tragedy.

Thanks for your understanding.

Butterfly Hill Preschool

Where did the summer go? Butterfly Hill Preschool is "gearing up" for the beginning of the 27th year of serving this church and community. It wasn't all vacation because there are always things that need to be done over the summer months. Working on curriculum and making improvements where needed. The teaching staff is in place and we are looking forward to another great year.

The preschool staff is as follows: Jeanne Speer, Program Coordinator; Martha Dyott, Secretary/Treasurer; Pre-K (Butterflies) Sally Fink, Monette Adamson & Carolyn Warr; 3 year olds (Caterpillars) Betsy Rearick, Carolyn Crownover & Dixie Kimmel; 2 year olds (Toddler Time) Valerie Orr & Hope Smith. The staff of preschool is a great group of women who have faith and God's love guiding them to teach these wonderful children. God is our leader! Each child is unique and different; we cannot put them in a mold. And we love each and every one of them.

Open House for each group is scheduled for September 4, 5 or 6. It is a time for parents to get valuable information about the preschool year. The children get to meet their new or old classmates and teachers, have fun in the various areas and become comfortable here. Classes begin the week of September 9. The first week will involve Welcome to School, School Rules, and Manners as lesson plans. The whole month will include Colors & Shapes. For the start of the preschool year there are currently 88 students registered.

Butterfly Hill Preschool asks for prayers from the congregation as we begin this new preschool year. The preschool depends on all of you for prayers, love and support of this very beneficial program for young children. The children come to learn all those things that children need to know to begin their public or private school educations. They also learn about God, being kind, being respectable, Bible stories, how to pray and ask God for his help. You would not believe some of the prayer requests that are heard from these children during Circle Time with Miss Jeanne. The prayer requests are usually for someone else, not themselves! These children are amazing!

"Children coming out of their cocoons and developing as beautiful Butterflies in a Christian based preschool."

A PERFECT DAY

God stretches out His loving hand
 His blessings to bestow,
 And guides us in our daily lives
 Because He loves us so.

He fills our hearts with joy and peace
 We're always in His care,
 He knows our every need and want
 And answers every prayer.

He heals all pain and solves all ills
 Which often come our way,
 His grace shines down upon us all
 To create the perfect day.

This is the day which the Lord hath made; let us rejoice and be glad. Psalm 118:24
