

2019

All were amazed and perplexed, saying to one another, "What does this mean?" But others sneered and said, "They are filled with new wine."

Acts 2: 12, 13

You can tell the time of year by browsing the greeting card section. Right now there are graduation cards, Father's Day cards and wedding cards. But I could not find one Pentecost card.

That is easy to understand. Our culture does not see Pentecost as a holiday. But for us, the followers of Jesus, it's a critically important event to remember and relive.

The verses above are some of the reactions to the time when the Holy Spirit came upon the disciples with power. Some in the crowd were amazed and confused by what was happening. Others declared that the disciples were just drunk and talking out of their heads. But the more important reaction was what followed these verses. Many people said, "What should we DO?" They didn't ask what they should believe or what worship style they should adopt or what denomination they should join. They said, "What should we DO?"

The same question confronts us today. If we believe the promise that Jesus made to send the Holy Spirit to be with all who follow his way, then we are also the recipients of that Spirit here and now. And we ask the same question. What should we do with this gift? Most of us have already repented and been baptized. Now comes the part that requires dedication and commitment and patience.

This is how the faithful ones respond to Pentecost. We ask people to wear something red to worship on Pentecost, June 9th. Red is a symbol of power and commitment. But it is only symbol of a life that is empowered to serve the Lord in all that we do and say.

That is the meaning of being the church. And we don't need a greeting card to tell us that.

Life is Wild..... God is Good

ROAR! The 2019 Vacation Bible School is coming closer! Save the dates June 24-28 and plan to bring children from your family or your neighborhood to learn that God is good! From 9 am to Noon each day, the children (ages 3 – potty-trained – through completed 5th grade) will learn that even when life is unfair, or scary, or changes, or is sad...God is good! They will also learn that when life is good...God is good then also! The closing program for friends and family will happen at 6 pm on Friday, June 28.

But, we can't make this happen without you! We currently need the following helpers:

1. Station Leader: "Stampede Sports" leader and helper: The leader will organize the equipment and choose the games from the booklet provided (or make up some of his/her own). The leader will explain the games to the children and help to direct the activities. The leader will also work in the Bible point and theme of each day while laughing, talking, and cheering on the children. The helper will fill in on teams if the numbers require it, may show the way through obstacle games, and will help the leader with equipment placement and stowing each day.
2. Station Leader: "KidVid Cinema" operator: The operator will run a DVD player/smart TV combination to show a movie to the children in each group. The operator will then engage the children in a conversation that helps them to apply the Bible point and lesson to their lives. The script for the suggested conversation starters is included in a guide book, and the movie is on a prepared DVD. The operator will be responsible for turning lights on and off and operating the provided equipment while in the "cinema" with the children (helpers can be incorporated!).
3. Station Leader: "Crewleaders": The crewleaders will help to chaperone the safari groups as they travel from room to room during each day's program. We encourage one adult per crew, and added helpers that have completed 6th grade or higher, so that we have at least one leader per five children. Each station has a leader and helper, but crewleaders are encouraged to help at each station so that the whole crew is immersed into the story/craft/game/etc.
4. "Donors/Lenders": A list will be coming out with requests for supplies to be donated or borrowed. If you are interested in donating or lending an item on the list, please register that with the Shelocta Church (or by taking the appropriate donation tab from the flyer) and provide the items before June 15. If you would like to be part of the station leadership, please contact Hannah Schrecengost (Elderton PC) or Rev. Kathy Nice (Shelocta CPC) ASAP! Vacation Bible School takes a village! Thank you for being part of our village!

Butterfly Hill Preschool

The 2018-2019 preschool year has come to a close as of May 23rd. We celebrated the promotions of 18 Toddlers to Caterpillars, 34 Caterpillars to Butterflies and 36 Butterflies graduating to attend Kindergarten in the fall. All students were promoted or graduated in individual programs on May 20th, 21st and 22nd.

The 2018-2019 preschool year has been a wonderful year with many changes made with curriculum to help these students to be ready for next year. The students are excited about going to Kindergarten; they are ready! The teachers are so impressed with their progress. Beside academics, they learn about God, God's House, respect, caring, and you would not believe "prayer time" and the requests these children make for family, friends, pets, etc. Such wonderful, caring children. We are so proud of them all.

I wish you could be in the building when the children are here. The excitement, the singing, the laughing, the eagerness of learning about God, library books, arts & crafts, letters, numbers, and many other concepts. It is fun to stand back and just listen to what goes on with the children. They are happy here and many don't want to go home when it is time! We all make such a connection with each and every one of them. And we are here for their families. We have had a couple of families this year with major "health issues"; we are there to help them, to listen, to let them vent, to cry on our shoulders....to be there for their children. Isn't that the Christian thing to do.....to take care of each other!

Classes for the 2019-2020 preschool year are filling up. Openings are in the afternoon classes of Pre-K and Caterpillars; and Tuesday-Thursday of Toddler Time. If you know of any family interested in having their child attend preschool, please contact Jeanne Speer or Martha Dyott.

"Children coming out of their cocoons and developing as beautiful Butterflies

in a Christian-based preschool.

"Happy safe and healthy summer to everyone!"
